OUR STORY

The unique name of our Café takes its inspiration from the relaxed and most chilled nature of those who ride a fixed gear bike. So we invite you to take it easy and enjoy our hospitality.

We know that whatever riding you are into or even if you are just here to enjoy the fresh air, everyone needs a place to just hang out and relax.

Please take some time to consider the many tasty and delicious options we offer from our world class kitchen, presented here on our menu.

Ask your waiter of those special items we may not have listed.

Enjoy.
